QUESTION NO: 9 - (DRAG DROP)

DRAG DROP

Match the definitions (on the right) to each of the characteristics of a good User Story (on the left).

Select and Place:

Independent		If a story does not have discernable value it should not be done
Negotiable		Each story needs to be proven that it is "done"
Valuable		User Stories average 3-4 days of work
Estimable		Stories can be worked on in any order
Small		A story is not a contract
Testable		A story has to be able to be sized so it can be properly prioritized

ANSWER:

Independent	Valuable	If a story does not have discernable value it should not be done
Negotiable	Testable	Each story needs to be proven that it is "done"
Valuable	Small	User Stories average 3-4 days of work
Estimable	Independent	Stories can be worked on in any order
Small	Negotiable	A story is not a contract
Testable	Estimable	A story has to be able to be sized so it can be properly prioritized

Explanation:

Independent - Stories can be worked on in any order

Negotiable - A story is not a contract

Valuable - If a story does not have discernable value it should not be done

Estimable- A story has to be able to be sized so it can be properly prioritized

Small- User Stories average 3-4 days of work

Testable- Each story needs to be proven that it is "done"
